http://www17.plala.or.jp/neucom/

No response...
Must be just a corpse

It's been like this every night lately...
Guess I don't have a choice

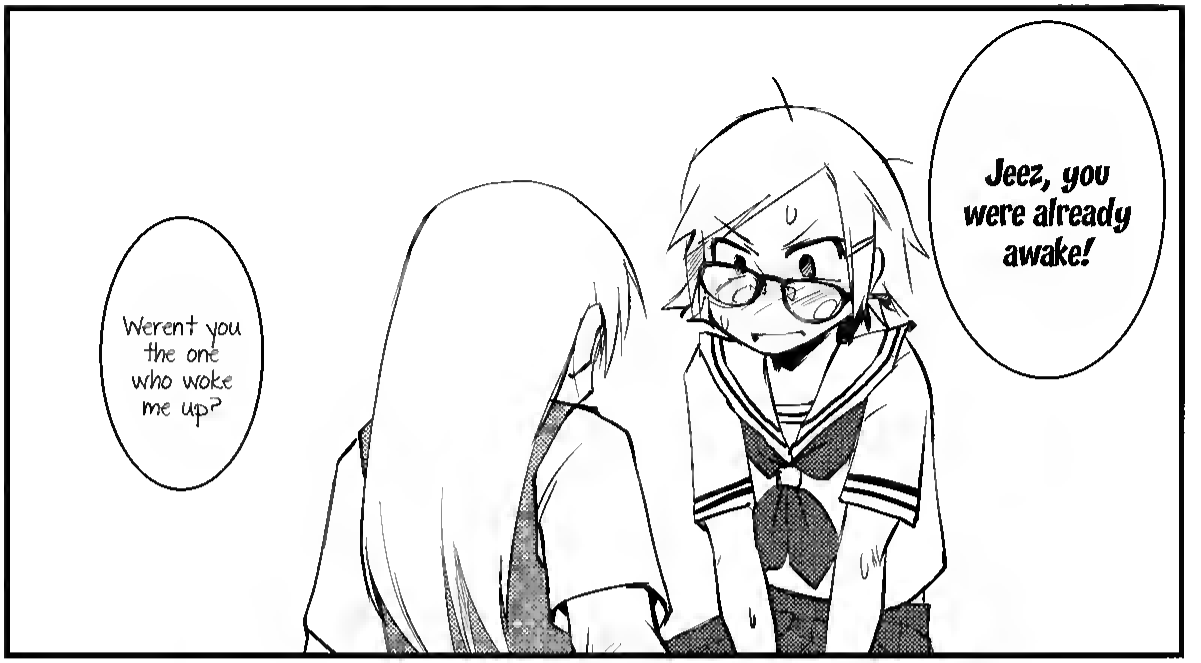
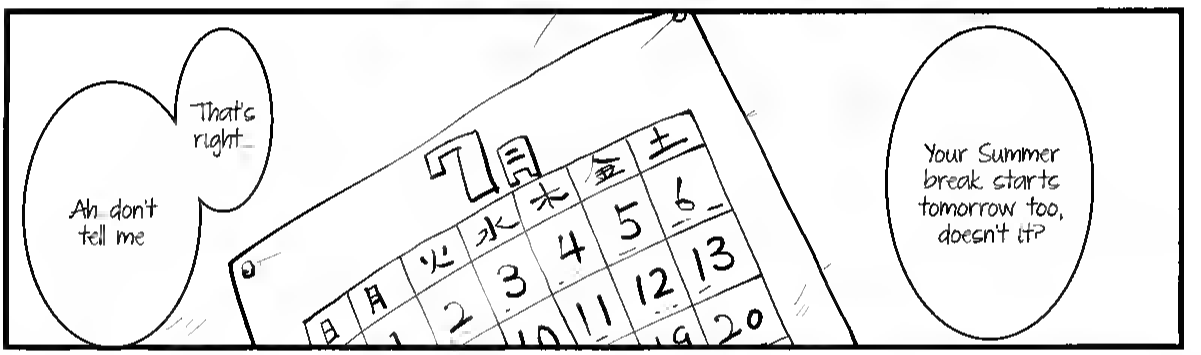
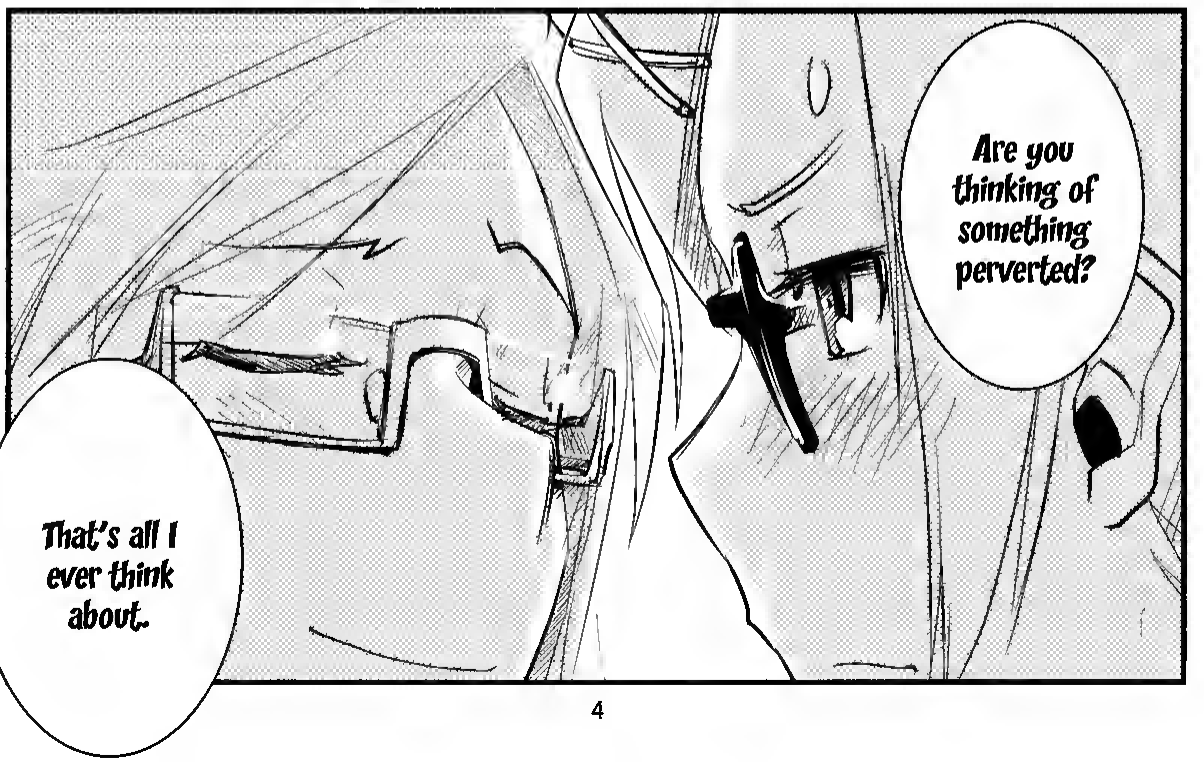
ふぁぁぁぁぁぁ



Jeez, you were already awake!
Weren't you the one who woke me up?



Your Summer break starts tomorrow too, doesn't it?
That's right...
Ah, don't tell me



Are you thinking of something perverted?
That's all I ever think about.

Nothing we can do
but, quietly look after the house.
W wait
Before that, I want to take a shower...
Now then
did you see the note on the table?
No?
It seems our heartless parents decided to neglect their daughters
and go on a three day and two night trip to a hot spring

But you like this sort of thing, don't you?
Yeah... I love it.
...You wouldn't normally do it like this, right?
Really?

Since you're starting Summer break
it's okay to get your uniform dirty, right?
That's why we're doing it like this.

Now then, let's get a taste of you through your uniform.
hih...
ah...nh
No...wait. ..that's ...hah

Oh?
Aren't you oozing out from behind your skirt?
ぴちゃ。
ちゅぱ
D...don't describe it, you perverted big sister!

If you're this wet
ちゅく。。
I could insert them with the skirt...
ヒクッ
No please don't
hi... ah
ズブ

Ah...ahah ...n...o... stop...
I'm... g...gomma cum.
Ahh amazing i-it's like a thick tampon is stirring me up
Hii... guh

Jeez~ You're being so unfair!!
In return, I'll make it so you can't stand anymore!
Hey, even if you say that, doing this so suddenly is...
Shut up, you lewd big sister!!
nah!!

Every time I move my fingers you tighten up so much
See... take a look in the mirror
You're making such a perverted face
I only stirred you up a bit
...and your insides are already dripping wet...
How many times have you cum without telling me?
You perverted big sister.

Then why did your vagina squeeze back just now?
It did not
I haven't cum yet
mm ...gh!
Onee-chan is starting to look amazing too
You're stirring me up with the love juices that soaked through my uniform
It's starting to look like semen

If we mix together like this it really does look like sperm.
Aah...it keeps on overflowing
Whenever you rub me through the uniform more comes out...!!

I want to get stickier with sperm.
I want lots more of Onee-chan's and my semen.
wah... I-Idiot... if you
if you do it that hard...
It'll... seep in.
Aaaaah, Onee-chan Onee-chan Onee-chan

You'll get me preg-nant!!!

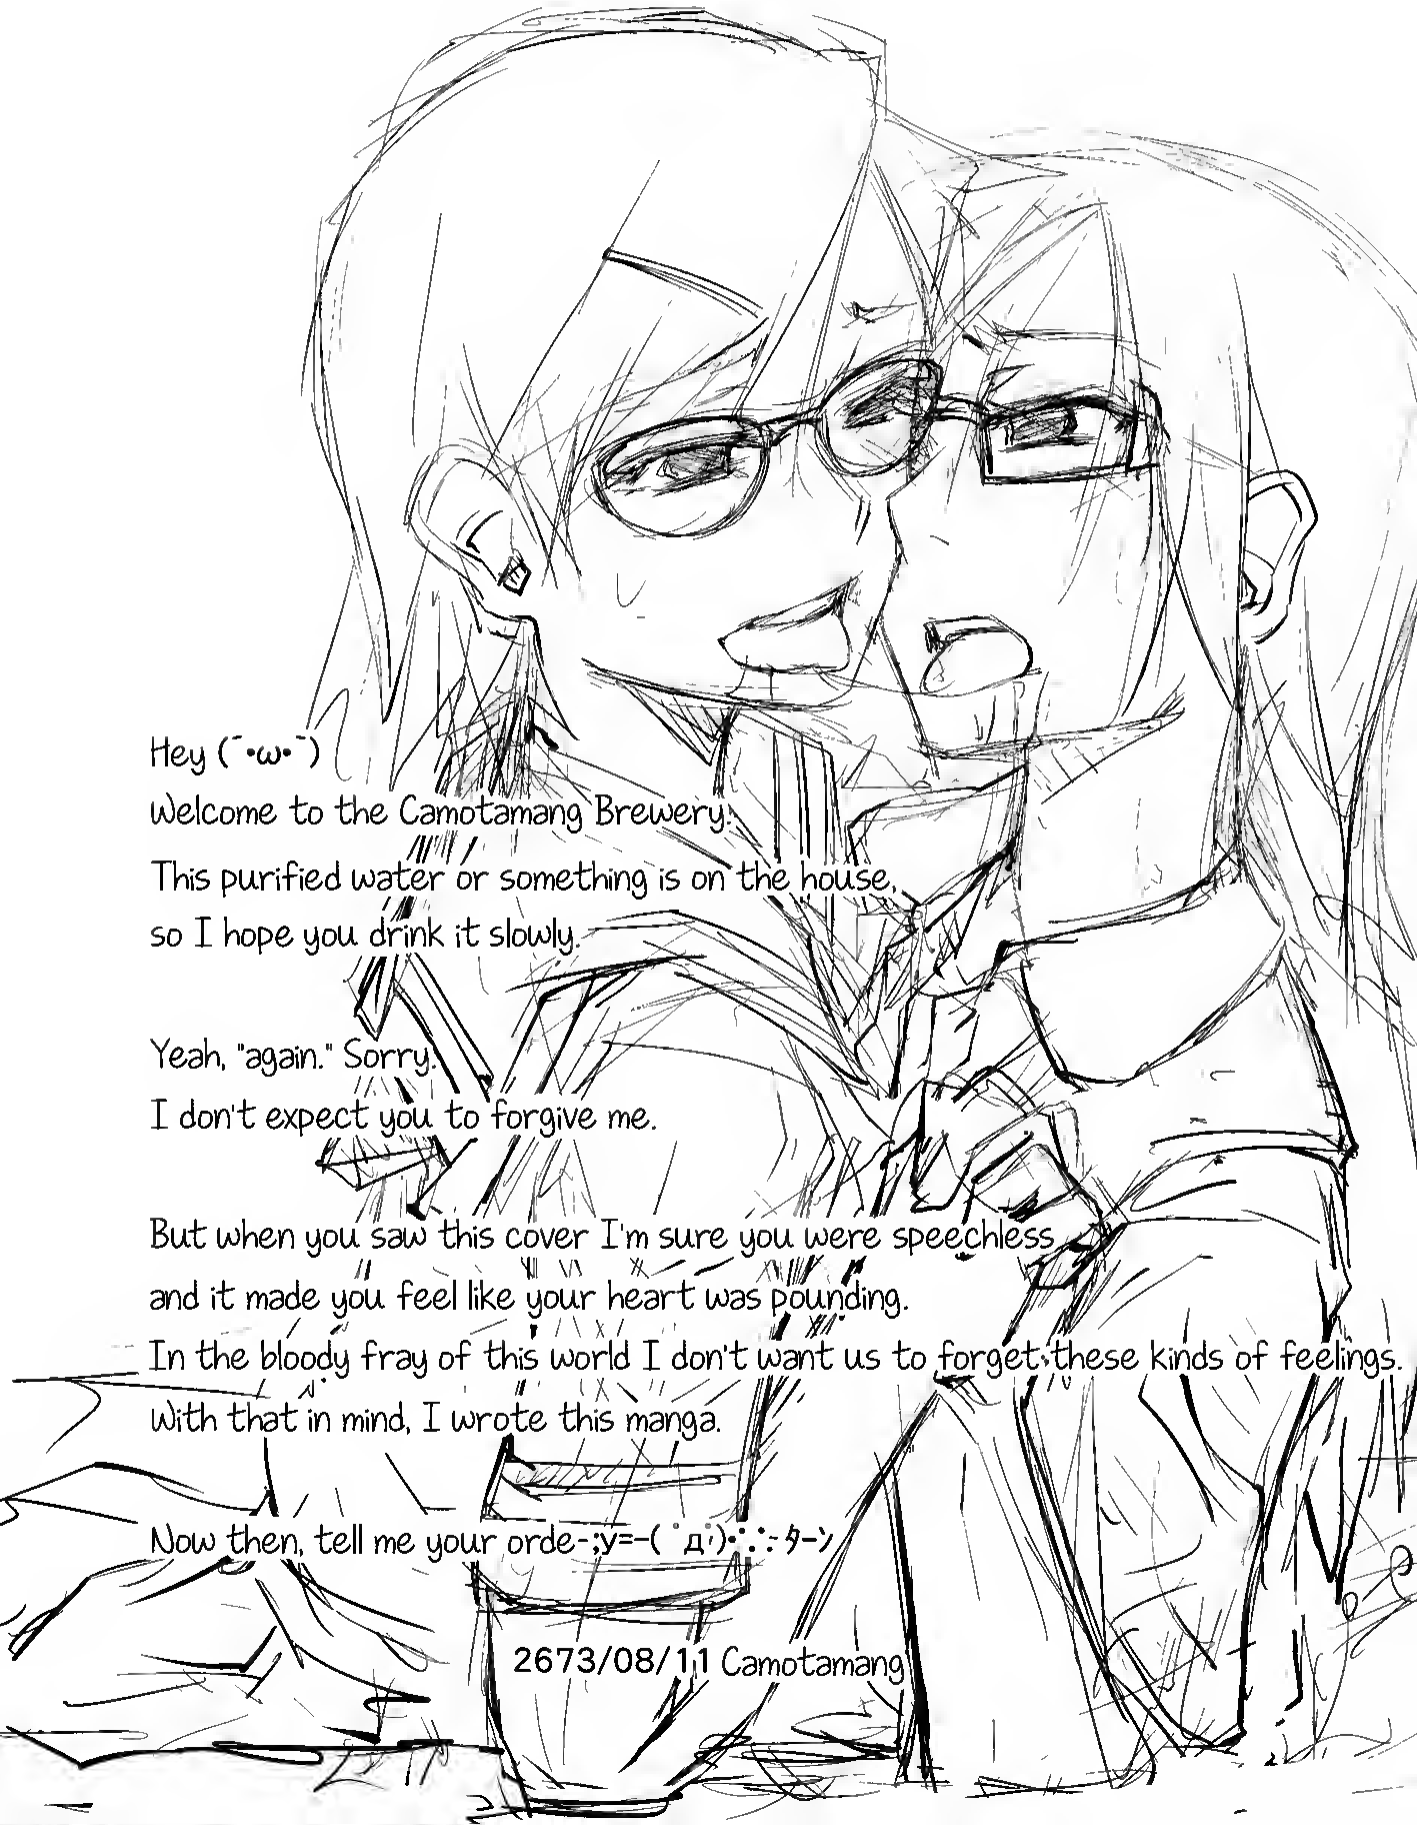
For some reason,

We sisters

are obsessed with sex.



Hey (˘•ω•˘)
Welcome to the Camotamang Brewery.
This purified water or something is on the house,
so I hope you drink it slowly.
Yeah, "again." Sorry.
I don't expect you to forgive me.
But when you saw this cover I'm sure you were speechless
and it made you feel like your heart was pounding.
In the bloody fray of this world I don't want us to forget these kinds of feelings.
With that in mind, I wrote this manga.
Now then, tell me your orde-;y=-( ゜д゜)・:.:-ターン
